

**Global Partnership Against the Spread of Weapons and Materials of Mass
Destruction – A G8 Action Plan**

**GLOBAL PARTNERSHIP AGAINST THE SPREAD OF
WEAPONS AND
MATERIALS OF MASS DESTRUCTION
A G8 ACTION PLAN**

The Global Partnership Against the Spread of Weapons and Materials of Mass Destruction, which we launched last year at the Kananaskis Summit, has made significant progress over the past year toward realising the objective of preventing terrorists, or those who harbour them, from acquiring or developing nuclear, chemical, radiological, and biological weapons; missiles; and related materials, equipment, and technology.

With our determined commitment, significant progress has been made

:

" Substantial sums have already been pledged by Partners towards their Kananaskis commitment to raise up to \$20 billion over ten years

;

" The Russian government has made welcomed decisions to ensure implementation of guidelines, in particular full exemption of assistance from taxation, duties and other charges. Other guidelines have also been intensively addressed ;

" The recent conclusion of the Multilateral Nuclear Environment Programme for the Russian Federation has demonstrated substantial progress in translating the Global Partnership initiative into concrete actions ;

" All Partners have actively engaged in determining co-operation projects to be undertaken, and some significant projects have already been launched or expanded, in accordance with our priorities identified in Kananaskis ;

" Outreach activities have been undertaken to invite and facilitate non-G8 countries to participate and contribute, as a result of which Finland, Norway, Poland, Sweden and Switzerland have indicated their interest in joining the Global Partnership as donors.

We commit ourselves to an active programme to continue the implementation of the initiative and to achieve substantial progress by the next Summit. Our goals are :

" To pursue the universal adoption of the non-proliferation principles

;

" To reach our Kananaskis commitment of raising up to \$20 billion

over ten years through contributions from new donors or additional pledges from Partners ;

" To significantly expand project activities, building upon preparatory work to establish implementing frameworks and to develop plans for project activities, as well as to sustain steady progress in projects already underway. We will continue to review progress in initiation and implementation of projects over the coming year, and to oversee co-ordination of projects, in order to review priorities, avoid gaps and overlaps, and assess consistency of projects with international security objectives, in accordance with our priorities ;

" To resolve all outstanding implementation challenges and to review the implementation of all guidelines in practice, keeping in mind the need for uniform treatment of Partners, reflecting our co-operative approach ;

" To expand participation in the Global Partnership to interested non-G8 donor countries that are willing to adopt the Kananaskis documents. While still focusing on projects in Russia, we mandate the Chair to enter into preliminary discussions with new or current recipient countries including those of the former Soviet Union that are prepared to adopt the Kananaskis documents, as the Ukraine has already done ;

" To inform other organisations, parliamentary representatives, and publics of the importance of the Global Partnership.
