Pursuant to the procedure envisaged in Article 79 (2) of the Vienna Convention on the Law of Treaties for the correction of treaties, the Federal Foreign Office had proposed a period of three months from the date of the above mentioned communication, i.e. until 6 March 2017, within which any Contracting Party could have raised objections to the proposed corrections.

As no objections have been received within this period, the proposed corrections are now deemed adopted. The corrected text shall replace the defective text ab initio.
